INTRODUCTION

This special place is home for many of us. For some, it's a vacation getaway; for others, it's an investment property where rentals earn income. We come from different backgrounds, cultures, and even other parts of the world. Almost all agree that Vista Gardens is indeed a special place. Where else can you find such friendly people? Where walkers wave a hearty "hello" to passing bicyclists and motorists. Many people volunteer time and time again so we can enjoy fuller lives.

Our Condominium Association, represented by a seven-member Board of Directors, has established these Rules and Regulations as a guide to preserve the excellent standards highly valued here. For many of us, condominium living is a new way of life. Specific standards for individual behavior help assure pleasant and harmonious community living.

Vista Gardens is a residential community for those 55 or older. Owners and lessees have priority in the use of all facilities. Guests are welcome, but they must observe the rules, too. We love to see the grandchildren and other youngsters around, but they may use the recreational facilities only when they are under the supervision of a responsible adult. Every owner must inform their guests and tenants of these rules.

Please adhere to these rules so that we may maintain our quality of life. But keep in mind that any behavior objectionable to a majority is unacceptable, even though a specific rule may not cover it. Should you have any questions or suggestions, please contact the office at 772-562-0401.

At the direction of the Board, management will initiate any enforcement action according to the Due Process Procedure. Voluntary compliance is the desired goal in any set of rules for a community. If compliance is not achieved, continuing problems will be referred to the Board of Directors for appropriate action, which may include legal proceedings against an individual. Enforcement is ultimately the Board's responsibility.

The Rules and Regulations, Use Restrictions, and Minimum Age for Occupancy Requirements have existed since Vista Gardens was first developed in 1982. The Rules have evolved to better deal with current problems. The latest revision was in May 2024 and is the eleventh revision.

The Due Process Procedure assures that all complaints are handled in the same timely manner and that all parties' rights are protected.

Several criteria must be followed for rules to be valid. Courts recognize the following as characteristics of valid rules.

1. A rule should not violate a fundamental constitutional right.
2. Rules must be consistent with federal, state, and local statutes and the community's governing documents.
3. A rule must be reasonable and fair.
4. A rule must be enforceable and uniformly enforced.
5. A rule must be reasonably related to the operation and purpose of the community.

It was with these criteria in mind that the recent revision was undertaken.

6. Reasonable rules and regulations concerning other uses of the Condominium Property may be made and amended from time to time by the Association. Copies of such rules and regulations will be furnished to all unit owners and residents of the condominium during their initial occupancy or upon request after that.
7. Guest Use of Units in the Absence of the Host: The following restrictions shall apply to guests who use or occupy a Unit when the owner or tenant (as applicable) is absent.
 - a. Definitions
 - 1) "Guest" refers to any person visiting and occupying a Unit without the requirement to contribute money, perform any services, or provide any other consideration to the Host in connection with such visit/occupancy. An owner of a Unit shall never be considered a guest of the unit they own unless the owner is visiting a tenant in their unit. References to guests shall mean related guests as well as other guests.
 - 2) "Host" shall mean the owner or tenant (as applicable) whose Unit a guest is visiting. A tenant shall be deemed the host only for the term of the lease during which they are occupying the Unit.
 - 3) "Related Guest" is a guest related to the host through blood, adoption, or marriage.
 - 4) A host will be considered to "not be present in the Unit" when the host does not stay overnight in the Unit along with the guest.

The Board of Directors shall be empowered to adopt a form for registering related guests, which the related guest must sign. The form shall include an acknowledgment as to the relationship with the host, that the related guest has received a copy of the Declaration of Condominium, Articles of Incorporation, Bylaws and Rules and Regulations of the Association and agrees to abide by them, and such other reasonable information determined by the Board of Directors from time to time. A related guest shall not be entitled to visit unless he or she registers with the Association as required in this section.

- b. Unauthorized Guest Visit. Any guest visit not authorized according to the terms of this Section shall be deemed improper, entitling the Association to bar access of the guest to the Unit and recreational facilities, and shall permit the Association to obtain an injunction order removing the guest and their personal belongings from the Condominium.

XIII. MINIMUM AGES FOR OCCUPANCY

The following age requirements are adopted from the Declaration.

1. Permanent occupancy of a Unit shall be restricted as follows, provided that the restrictions contained in the remaining provisions in this Article are met.

The occupancy restrictions shall not:

- a. Prohibit the occupants of a Unit from having guests of any age who may visit a Unit, subject to the guest/visitation restrictions contained elsewhere in this Declaration or the Articles of Incorporation, Bylaws and Rules and Regulations of the Association; or
 - b. Permit occupancy, which is otherwise prohibited by the provisions of this Declaration, the Articles of Incorporation, Bylaws, or Rules and Regulations of the Association.
2. Statement of Intent. It is hereby declared by this community that the community desires and intends to provide housing for older persons, as defined in the ACT and the ADMINISTRATIVE RULES. It is more specifically the desire and intention of this community to meet the exemption for housing for older persons as is provided for in EXEMPTION THREE (55 or older housing). In this endeavor, the following occupancy restrictions and procedures shall govern.

Furthermore, in addition to these amendments, the Association shall do whatever is required by the ACT and ADMINISTRATIVE RULES to publish its intention to adhere to policies and procedures, which demonstrate an intent to provide housing for persons 55 years of age or older.

3. Occupancy for Older Persons – 55 or Over Housing. No Unit shall be occupied or be permitted to be occupied unless there is at least one (1) person occupying the Unit who has attained age 55.
4. Exceptions to 4: Future Occupancies.
 - a. This occupancy shall not preclude temporary occupancy by guests as may be permitted elsewhere under the Declaration, Articles of Incorporation, Bylaws, or Rules and Regulations of the Association or which is permitted under the ACT or ADMINISTRATIVE RULES.
 - b. This occupancy requirement shall not preclude the following occupancy: If a spouse who is at least 55 years of age dies and is survived by a spouse who is under 55 years of age, the surviving spouse may still occupy a Unit in the community, although he or she had not attained the age of 55 years.
 - c. This occupancy requirement shall not prohibit occupancy to persons who obtain ownership of a Unit by devise or inheritance.
5. Special Guest Visitation Provision. Use of Units by guests or visitors of the owner(s) and lessee(s) when the owner(s)/lessee(s) are not present in the Unit shall be restricted as follows:

- a. No such guest under the age of 55 years shall use or occupy a Unit over thirty (30) days in a calendar year. Each day, as well as part of a day, shall be counted in this computation.
 - b. This section shall be in addition to restrictions of guests, which are contained elsewhere in the Declaration, Articles of Incorporation, Bylaws, and Rules and Regulations of the Association, as amended from time to time. The owner(s)/lessee(s) shall be considered to be not present in the Unit when the owner(s) or lessee(s) do not stay overnight in the Unit along with the guest.
 - c. Guest refers to any person who is visiting and occupying a Unit without the requirement to contribute money, perform services, or provide any other consideration to the owner or tenants in connection with such visit/occupancy. An owner of a Unit shall never be considered a guest of the Unit he or she owns unless the owner is visiting a tenant in the Unit.
6. Every Owner and Lessee shall be deemed to have a contract with the Association to ensure that the occupancy requirement in this ~~section of~~ the Declaration shall be conditioned upon being met at all times; if this occupancy requirement is not met, the approval shall be deemed automatically revoked.
7. Remedies For Non-Compliance. The Association shall concurrently have any one or more of the following remedies for non-compliance in addition to those provided elsewhere in this Declaration of In the Bylaws or by law.
 - a. In the event of a lease of a Unit, if the occupancy and other requirements of the Rules and Declaration are not met, the Association shall be entitled to file for and obtain an injunction order against the owner of the Unit and the lessee(s) and other occupants in the Unit, removing the unauthorized lessee(s) and other unauthorized occupants.
 - b. The Association shall also be entitled to evict the Unit's lessee(s) and other occupants as agents for the owner(s). This right of eviction by the Association shall apply only:
 - 1) After the expiration of fifteen (15) days from the date on which the Association mails a notice to the owner(s) by certified mail, return receipt requested or provides notice by hand delivers, and
 - 2) Provided that the owner fails to commence eviction proceedings on their own and fails to notify the Association within fifteen (15) days.
 - c. The lease shall specify (and if it fails to so specify), the lease shall be deemed to specify that the lessee(s) and all other occupants shall abide by this Declaration, Articles of Incorporation, Bylaws, and Rules and Regulations of the Association, and shall specify that the Association has the remedies provided for in this Section. Costs and attorney's fees incurred by the Association in connection with the exercise of its remedies under this Section provided that the Association prevails, shall be the responsibility of the Owner(s) of the Unit and shall, to the extent awarded by a Court under Florida statutes also be the responsibility of the lessee(s).

8. Other Occupancies (other than leases). In the event of the use by guests or visitors, or the event of a sale, gift, or other transfer of title, and the occupancy requirements of this Article are not met, the Association shall be entitled to file for and obtain an injunction order against the owner(s) of the unit and all occupants in the Unit, removing the unauthorized occupants (including the owners). If the Association prevails, the owners shall be responsible for costs and attorney's fees incurred by the Association in connection with its enforcement of this Article.
9. Failure to Provide Proof of Age. Should any person fail to provide proof of age as required, the Association shall be entitled to file for and obtain an injunction order against the person involved, removing the person from the community.
10. Other Occupancies (other than leases). Any owner(s) and persons not mentioned in 4 above who WERE validly occupying a Unit as a resident on September 13, 1988, shall obtain grandfather status.
11. Pending/Approval Applications. Any person listed on an Application for Approval for lease, sale, or other transfer of ownership, which is pending or approved as of the Effective Date of the adoption of these Revised rules, is given grandfather status.
12. Proof of Age. All owner(s) shall deliver to the Association documentation demonstrating Proof of Age as provided for in the Declaration.
13. Non-Occupancy Status: Each owner or lessee, as applicable, shall notify the Association of any periods during which the Units become "unoccupied." As used in this Section, unoccupied means any intended absence of all permanent residents of the Units for a period over thirty (30) days. It is understood that this is a requirement because the ADMINISTRATIVE RULES require record keeping of occupied and unoccupied Units. The Association shall be authorized to adopt a form concerning the reporting under this Section.

XIV. RULES ENFORCEMENT AND DUE PROCESS PROCEDURE

The Board of Directors is responsible for enforcing all rules and regulations. At the **direction of the Board**, management will initiate any enforcement action which follows this Due Process Procedure. This will ensure that all complaints or alleged rule violations are handled the same according to established procedures.

All owners, tenants, and guests must have a complete set of Rules and Regulations containing the Use Restrictions and the Minimum Age for Occupancy Requirements from the Declaration of Condominium.

Owners are responsible for any violations made by themselves, their tenants, or guests.

Complaints made reporting any alleged rule violation **MUST** be in writing. It is impossible to proceed with any investigation or enforcement action without meeting this requirement.

Any owner wishing to recommend changes to any rule or regulation must submit these in writing with a signature to the Board of Directors.

DUE PROCESS PROCEDURE: A formal process designed to protect the rights of all parties involved.

Benefits: All alleged violations are handled in the same manner.

The goal of rule enforcement is always voluntary compliance.

1. To begin the rules enforcement process, an owner must state in writing to the Board of Directors any rule violation they wish to complain about.
 - a. The person making the complaint must be identified in the letter.
 - b. The person making the complaint may be called to testify at any hearings.
 - c. Committees, as well as groups of owners or residents, or the Board may also bring complaints.
2. Upon receipt of an alleged rule violation letter stating the date and approximate time of the alleged violation and upon the determination that the alleged actions probably occurred, a letter will be sent to the alleged violator stating the alleged violation and a period (10 days) during which the alleged violation may be eliminated without further action. For violations of a serious nature (i.e., Parking on lawn areas), a cease and desist notice will be sent demanding immediate action. The Manager may commence immediate action (ex, towing), if necessary, at their discretion.
 - a. A copy of this letter will be sent to the person originating the complaint.
 - b. If the alleged violation persists beyond ten (10) days, another owner (not the original complainant) must send a second letter of complaint alleging that the violation exists.
3. A hearing will be held after the Association receives two letters of complaint from separate individuals.
 - a. A hearing notice will be sent to the alleged violator stating the nature of the alleged violation, the action requested to cure the alleged violation, the time and place of the hearing, an invitation to attend the hearing, and produce any statement, evidence or witnesses on their behalf, a statement that a sanction may be imposed and the maximum amount of any sanction.
 - b. An invitation will also be sent to the person or persons originating this complaint, inviting them to the hearing to produce evidence to substantiate their complaint.
4. The appointed Hearing Committee (3, 5, or 7 members of the Rules Committee) will hear testimony from both sides at the hearing (fact-finding session) and then excuse both parties and render a decision within three (3) days.
5. The Declaration and Bylaws provide no authority to impose a fine so that the complaint may be discussed or pursued through mediation or arbitration before legal action.
6. In the case of non-owner-occupied units, all residents and owners will be provided copies of all correspondence.

XV. UNIT OWNER INQUIRIES

1. An inquiry from a unit owner ("inquiry") must be in writing and must be sent per Section 718.112(2)(a), Florida Statutes. An inquiry shall be limited to no more than four (4) separate questions or requests for information. Each part of a multi-part question or request shall be deemed a separate question.

For example, the following request: "Are there plans to refurbish the clubhouse, and if so, when, how will it be paid for, and what persons or committee will decide the décor?" includes four (4) separate questions and constitutes an "inquiry."

To the extent any inquiry seeks a response to more than four (4) questions, it shall be deemed an additional inquiry.

For example, if the Association receives an inquiry from a unit owner that contains six (6) questions, that inquiry will be considered as two (2) separate inquiries, the first four (4) questions constituting one inquiry and the next two (2) questions as being a second inquiry.

2. Frequency and response. The Association is obligated to respond only to one (1) inquiry per unit in any given thirty (30) day time period. If any additional inquiries are received from the same unit, the further inquiries will be deemed received thirty (30) days after the date of receipt of the prior inquiry. For example, if the Association receives an inquiry containing six (6) questions on July 1 and an additional inquiry of three (3) questions on July 25, then the Association must respond to the first inquiry of four (4) questions by July 30, the second inquiry of two (2) questions by August 29 and the third inquiry of three (3) questions by September 28.

The Board's response shall either:

- a. give a substantive response to the inquirer;
- b. notify the unit owner that a legal opinion has been requested; or
- c. notify the unit owner that advice has been requested from the Division of Florida Land Sales, Condominiums, and Mobile Homes.

If a legal opinion is requested, the Board will respond within sixty (60) days after receipt of the inquiry, providing a substantive written response to the inquiry.

3. Responses shall be provided following the following provisions:
 - a. If there was a substantive response to the same question from the same unit previously, and the answer remains essentially unchanged, the Association's response may refer to the prior response given.
 - b. If the inquiry is a request to review or be furnished copies of the Official Records of the Association or seeks a response that may be found in the Official Records, then the response shall advise the unit owner that the information sought may be obtained by way of inspection of the official records.
 - c. If the inquiry requires the Association to prepare compilations, calculate figures, or otherwise extract data that is not readily calculated or ascertainable from existing reports in final form, or if the inquiry seeks information in a form, or for periods

based upon criteria, for which the Association does not maintain such information, the Association, at its discretion and on a case by case basis, need not compile, calculate, extract, or format such information, and it will be a sufficient response to notify the unit owner that the inquiry cannot be readily answered at that time and that the Association is not required to calculate, compile, extract or format such information, referring the unit owner to the appropriate procedures for official records inspection as appropriate.

XVI. INSPECTION AND COPYING OF OFFICIAL RECORDS

1. All unit owners' requests to inspect or copy official records must be in writing and delivered to the Association's management office.
2. The Association and the requesting unit owner shall schedule a mutually convenient time for the inspection, which, if not otherwise agreed to, shall be within ten (10) working days of the receipt of the written request by the Association.
3. An owner shall make no more than one (1) request to inspect the Association's official records every thirty (30) days. If an owner makes an additional request within thirty (30) days of the prior request, the new request will be deemed received thirty (30) days after the date of the prior request. If the unit owner cannot inspect all records requested at the initial visit, the remaining records shall be available for inspection the next business day.
4. A unit owner may inspect the official records during regular business hours of the Association's management office, and inspection shall not exceed eight (8) hours per day. If the inspection time impacts the staff lunch hour from 12:00 noon to 1:00 p.m., the owner shall be required to leave at noon and resume inspection at 1:00 p.m. to accommodate Association staff, if needed.
5. The Association is not required to organize or assemble records in any manner for a unit owner inspection.
6. Unit owners shall not have the right to inspect or copy records that are non-accessible or are subject to privilege recognized by law.
7. Association records may not be removed from the Association's office, and the unit owner may not take files apart or otherwise move or relocate documents or pages in the official records.
8. The unit owner may copy (with a smartphone, tablet, portable scanner, or any other technology capable of scanning or taking photographs) or request copies of the official records in conformance with the provisions of Florida Statutes Section 718.111(12). If the unit owner requests copies of any official record, he shall tab or otherwise clearly identify the pages or documents to be copied and inform management.

Within a reasonable time, the Association shall make such copies for the unit owner at their expense and notify the owner when they are available. The Association may charge a reasonable copying fee not to exceed the maximum permitted by Florida Law. At its discretion, the Association may mail the copies to the owner if the owner requests and provides pre-paid posting. The Association may require that the copy cost be paid before delivery.

XVII. BOARD MEETINGS

1. Owner Participation at Board Meetings. Unit owners shall have the right to participate in all Board meetings regarding all designated agenda items. The chairperson shall limit each unit owner's participation to three (3) minutes. Members wishing to speak should stand and state their full name and unit owned before beginning their remarks.

The first unit owner speaking shall not be recognized again until all other unit owners wishing to speak have been heard on any one agenda item.

2. Unit owner taping or recording meetings. For unit owner audio taping or videotaping the Board, Committee, or unit owner meetings, the following rules shall apply:
 - a. Except for cell phones, the only audio or video equipment or devices unit owners are authorized to utilize at such meetings is equipment that does not produce distracting sound or light emissions.
 - b. Except for cell phones, the audio and video equipment shall be assembled and placed in position in advance of the commencement of the meeting.
 - c. Anyone videotaping or recording a meeting shall not be permitted to move about the meeting room to facilitate the recording.
 - d. The audio equipment may be placed on the table where the board members are sitting so long that the equipment does not require an electric cord. If the audio equipment is placed at the table at which the Board members are sitting and is the type that involves the replacement of audio tape, the unit owner is not permitted to replace the tape if the machine stops due to a full tape unless or until the Board calls for an intermission during the meeting.

**GUIDELINES FOR OWNER PARTICIPATION IN THE PHYSICAL CARE,
ALTERATION OR DECORATION OF THE GROUNDS, LANDSCAPING, AND
BUILDINGS OF VISTA GARDENS CONDOMINIUM ASSOCIATION.**

To maintain the community according to Florida Statutes and applicable Condominium Documents, the Board of Directors would like to remind all owners of the following:

- Maintaining the common elements is the responsibility of the Association (FS 718.113(1)).
- The common elements' maintenance, repair, replacement, and operation will be the responsibility of the Association and a common expense (Declaration 13.2(a)).
- A unit owner has no authority to act for the Association because of being a unit owner. (FS 718.111(1)(c)).

Owners, residents, or guests shall not plant or trim any shrubbery or trees on the common elements nor display any statues, artificial flowers, or other artifacts (Rules II. #32)

Owners are not to paint or otherwise decorate or change the appearance of any portion of the exterior of any apartment building without the prior written approval of the Association's Board of Directors. (Declaration 13.1(b)(4)).

The Unit owners shall not cause anything to be hung, displayed, or placed on the exterior walls, doors, windows, walkways, ceilings of walkways, railings, or roof of the apartment buildings or Units, and they will not otherwise change the appearance of any portion of the exterior of any apartment without the prior written consent of the Association. (Declaration, Use restrictions (f)).

The display of articles on walkways, railings, and shrubbery is prohibited. (Rules II. #7).

Decorations on doors are not allowed except from Thanksgiving week through January 6. (Rules II. #28)

The landscaping is maintained under the authority of the Board of Directors, with the input and recommendations of the Landscape Committee and the Garden Club. Only licensed contractors are used to maintain the landscaping. Owners under NO CIRCUMSTANCES are authorized or allowed to trim, plant, remove, replace, add to, fertilize, or attempt to control weed growth on any landscaping portion.

Participation in or membership in committees does not authorize individual owners to work on the landscaping or buildings. The only exception to the above is planting flowers in designated areas, which the Garden Club MUST first approve. All committees are responsible for reporting to the Board of Directors.
